

Short-term bursaries offered by private schools of Italian in Italy

CALENDAR YEAR 2025

The Consulate General of Italy in Vancouver does not offer scholarships directly. Rather, we:

- administer bursaries offered, for promotional reasons, by private language schools in Italy;
- provide information and forms for the scholarships offered to Canadian citizens by the Italian Government.

Several schools in Italy (see list below) offer courses in Italian language and culture, that are assigned by the Cultural Attaché at this Consulate General to students and residents of Western Canada. Many schools may require payment of a registration fee at the time of enrollment.
